April 1, 2020

Dear Local 301 Members,

As you all know the April 1, 2020 General Meeting has been cancelled due to the COVID-19 global pandemic. To ensure that we keep you informed until our next meeting here is a brief report. The Local Union remains open however the doors are locked to keep our members and 301 staff safe. Service is available by appointment so please call ahead. Business Agents are, as always available by leaving a voicemail here at the Local Union office and in some cases by cell phone. Local 301 will continue to monitor this rapidly evolving situation as developments unfold almost minute by minute. You may also refer to cdc.gov for more info regarding COVID-19. In Union business we have ratified the W. Smith Cartage Agreement, Coral Chemical's Plant Workers Agreement and the Village of Round Lake Park Agreement and continue negotiations with Aurora Casket and Aldridge Electric. Organizing has been very difficult when dealing with the practice of social distancing therefore this is currently being handled by phone. Please reach out with any problems with your employers, particularly not following the CDC guidelines as this is extremely important in controlling this pandemic as well as keeping you and your family healthy and safe. We must all practice safe distancing and follow the advice of the professionals now more than ever. In closing, on behalf of the Executive Board and Staff of Local 301, we wish you and your families good health and safety during these very uncertain times.

Fraternally,

TEAMSTERS LOCAL UNION NO. 301

Michael T. Haffner, Secretary-Treasurer
